

Testing, treatment, and vaccine information.

\$0 COVID-19 Testing and Treatment

Friday Health Plans will cover testing and treatment of COVID-19 at no cost to members—no coinsurance and no copays.

Connect with remote doctor resources for free—sign up for Teladoc

You can talk to a doctor by phone or live video at no cost through Teladoc. Doctors can answer questions about the coronavirus, evaluate your health risk and if you need medical testing provide support to help relieve symptoms, addressing both physical and mental health needs. Be sure to sign up first at member.teladoc.com/fridayhealthplans.

Home health coverage

For patients who, as determined by a medical provider, can be appropriately monitored and treated at home, carriers are reminded that they must provide coverage for necessary medical equipment and medications for in-home treatment. This may include the following durable medical equipment and medications as deemed medically necessary by the treating provider: oxygen, any medications determined to be medically appropriate for the treatment of COVID-19, home infusion therapy, and electrocardiographs/cardiac monitors.

Prescription refills

Friday Health Plans will cover an additional one-time early refill of any necessary prescriptions to make sure you have medications in the event you need to limit contact with others.

Friday Health Plans will cover the vaccine at \$0 to members.

If you are required to pay upfront at an out-of-network provider, you can submit a request for reimbursement by sending a copy of your receipt and itemized statement from the provider to questions@fridayhealthplans.com. Please make sure the statement includes your name, service date, amount paid, and services charged.
